Computer Measurement Group, Inc.
151 Fries Mill Road, Suite 104
Turnersville, NJ 08012

Effective 1/1/2009

2009 MEMBERSHIP APPLICATION

CMG is the most influential organization for the exchange of information among CPE professionals. To keep CPE professionals on top of their field, CMG is dedicated to providing its members the education, networking, and leadership opportunities vital to success in today's competitive industry.

Membership Benefits & Publications

The *Proceedings* contain all the information presented at the annual CMG conference. With more than one hundred papers on current hot topics, the Proceedings is your best source of the latest information in the expanding field of CPE.

The *Journal,* a quarterly technical publication, provides an additional source of latest technical information to the CPE professional.

The *Bulletin* is a newsletter written by members for members and is published 3 times a year. This publication includes vital information on CMG's national, regional, and international groups.

Various Internet Services. CMG provides a Members Only section where members can obtain electronic versions of conference Proceedings, speaker handouts, issues of the Journal and more.
