CONTENT & ACTIVITIES

- IMPACT conference sessions – The heart of IMPACT. Don't be stuck within a track – there is a lot to learn across industries in the conference sessions.
- Training – Before we kick off IMPACT, take a few hours to learn from the best industry experts out there.
- Peer-to-peer networking – Multiple opportunities both inside and outside the conference to meet with and learn from your peers.
- Tech Expo – Meet our partners and learn about the latest technologies and hot startups at the Tech Expo.
- Workshops – Solve real-world problems with your peers during special workshop sessions.
- Skills badging – Gain marketable skills and earn digital badges by attending key sessions during the IMPACT conference.
