# WEBINARS

As a webinar sponsor, we will help you design, customize, and target your webinars to those who are interested in specific IT subjects. Webinars are a truly cost-effective way of reaching your specific target group and, through interaction, positioning yourself as an industry expert while gaining insight and increasing your reach. In 2019, CMG webinar registration had a high of 290, and an average of 60 participants.

*Our community wants to hear from our partners as they are industry leaders in their respective fields and they represent a vast knowledge resource. We ask that sponsored webinars address a problem, provide education, and share information—a delivery format that ensures the audience fully participates in the webinar and engages with the speaker.*
